~~benefit payable upon final retirement. Calculations of benefits upon retirement shall be based upon the benefit accrual rate, average final compensation, and credited service as of that date and the retirement benefit amount for any subsequent employment period shall be based upon the benefit accrual rate, average final compensation (based only on the subsequent employment period), and credited service as of the date of subsequent retirement. The amount of any death or disability benefit received as a result of a subsequent period of employment shall be reduced by the amount of accrued benefit eligible to be paid for a prior period of employment. The optional form of benefit and any joint pensioner selected upon initial retirement shall not be subject to change upon subsequent retirement except as otherwise provided herein, but the member may select a different optional form and joint pensioner applicable to the subsequent retirement benefit.~~

- (c) *Reemployment by city.* Any retiree who is retired under normal retirement pursuant to this system and who is reemployed by the city **after one year of retirement from this system** in a position other than as a police officer shall upon being reemployed continue receipt of benefits for the period of any subsequent employment period. ~~Former DROP participants shall begin receipt of benefits under these circumstances.~~
- (d) *After early retirement.* Any retiree who is retired under early retirement pursuant to this system and who subsequently becomes an employee of the city in any capacity, shall **upon being reemployed, continue to receive their retirement benefits as an in-service distribution. If the reemployed person, by virtue of that reemployment, is eligible to participate in this system, that person shall accrue a second benefit as provided for in subsection (b) above and benefit payments shall remain suspended during any such subsequent employment period. If the reemployed person is not eligible to participate in this system, that person's pension benefit payments shall be suspended until the earlier of termination of employment or such time as the reemployed retiree reaches the date that he would have been eligible for normal retirement under this system had he continued employment and not elected early retirement. "Normal retirement" as used in this subsection shall be the current normal retirement date provided for under this system.~~
- (e) *Reemployment of terminated vested persons.* Reemployed terminated vested persons shall not be subject to the provisions of this section until such time as they begin to actually receive benefits.
