

"Progressively enriching our community's quality of life by providing consistent and transparent customer service to our residents."

Utilities Update

The direct introduction of stormwater into the wastewater collection system causes sewer to back-up into homes, businesses and can create sewer overflows into waterways and other environmentally sensitive areas. Please help the City of Lynn Haven reduce sanitary sewer overflows by not plumbing your gutters into the sewer line of your home or business. Inspect and replace any damaged sewer clean-outs and caps. Homes and businesses with rain gutters and downspouts that discharge stormwater to the sewer service lateral, or a broken sewer clean-out is a violation of city ordinance 70-91 and 70-98 (12). Gutters and downspouts should drain onto your property or into the city's stormwater system, not the wastewater collection system. See examples on our website and Facebook page. For additional information please contact the Utility Department @ 850-248-0580 or publicutilities@cityoflynnhaven.com.

Beautification Board Vacancies

City of Lynn Haven Beautification Board still have some positions open. The Board studies, investigates, develops and recommends to the City Commission plans for improving the beautification and cleanliness of the City. Contact Ben Janke bjanke@cityoflynnhaven.com to apply.

For more event info or vendor applications, visit the City website at www.CityofLynnHaven.com. Follow us on the City's Facebook, Twitter & Instagram.
