■ WEST 10th Street Project – Resident Notice ■

**Project Overview**

Contractor:	ECSC, LLC
Oversight:	Dewberry Engineering (Construction Engineering & Inspection)
Funding:	Community Development Block Grant – Disaster Recovery (CDBG-DR)
Timeline:	Approximately 1 year

**What's Happening**

- Replacement and improvements of underground utilities.
- Work will take place along West 10<sup>th</sup> Street project limits (see map).

**What Residents Can Expect**

- Advance Notice: If your property or services are affected, you will receive a door hanger 24-48 hours in advance (excluding emergency situations).
- Temporary Disruptions: Some areas may experience limited access during active construction.
- City Coordination: Dewberry Engineering and city staff will work closely with residents to minimize impacts.

**Thank you**

We appreciate your patience and cooperation as we complete these much-needed improvements to Lynn Haven's infrastructure.
